Dear Parents/Guardians,

Welcome to a wonderful new school year! The Mt. Pleasant School District staff and I look forward to welcoming both you and your child to the 2016-2017 school year.

Each school year begins with such enthusiasm as our students meet their teachers, make new friends and begin a new grade level journey. It is a parent's, guardian's, family member's enthusiasm, support and involvement that inspires children to do their best and a teacher's ability to teach what they need to learn.

The vision of the Mt. Pleasant School District is "Every student in the Mt. Pleasant School District is empowered to succeed in a diverse and changing society." Please become actively involved in your child's education by volunteering at his/her school. Your child's teacher and school need your help and support!

The mission of the Mt. Pleasant Board of Trustees and staff is to provide a high quality education in a safe and positive learning environment where students and parents are highly engaged. Students are provided with a rigorous, technology enhanced curriculum led by high quality staff that validates the needs of the whole student.

Please take time to review the district handbook carefully as it contains vital information and policies that ensure the safety of all of our students. Please refer to our district website for happenings in the district and each school. Here is the website: <http://mpesd.sharpschool.net/>
